

KidneyTexas Presents Runway Report Luncheon and Style Show

For the Fight against Kidney Disease

KidneyTexas, Inc. hosted its Luncheon and Style Show on September 24th at Brook Hollow Golf Club. Honorary Chairs were **Dr. and Mrs. David Winter**. Renée and David have excelled in leadership roles in many Dallas philanthropies. Renée is a two-time luncheon chair and longtime board member and supporter of KidneyTexas, Inc. She is also a dynamic force in the real estate market. David Winter, M.D., M.Sc., F.A.C.P., is Chief Clinical Officer and Chairman of the Board of HealthTexas Provider Network (HTPN) at Baylor Hospital in Dallas. Dr. Winter is also a popular television and radio speaker on health care issues.

The show included some exciting surprises, and a service award was presented to **Ann Dyer** for her long time involvement as a volunteer and board member.

Each of us are touched by the stories of selfless giving by the donation of a kidney. One special gift was to Jun Choi. **Jun Choi**, a young camper from Camp Reynal, received a kidney from a donor he met weeks before the transplant, **Treisha Glowacki**, a mother of five and Jun's *guardian angel*. It is not often one meets and thanks their donor of a very special gift.

Honorary Chairs, Renée and David Winter, MD.

The Luncheon featured fashions from Tootsies and was produced by **Jan Strimple** Productions.

We raised about \$286,000. The board of KidneyTexas will fund the following Beneficiaries: National Kidney Foundation, Camp Reynal, Children's Medical Center, for the purchase of 2 Hemodialysis Treatment Machines, UT Southwestern Medical Center, to support Dr. Brugarolas with his radiation test therapy in animals to determine optimal regimen to treat kidney tumors, and PKD Foundation, supporting clinical trials in core lab for treatments to slow and stop the progression of PKD.
